Sorry. The session actually starts at 6 pm. Just spoke with Bruce and Paul. We'd like to meet face to face on the 23<sup>rd</sup> in the morning. I assumed that you are staying overnight and could make it. Correct assumption?

Should we just simplify the last bullet to state:

- Redevelopment assistance is available for Superfund sites.

Hi Mike, I think we changed the last bullet referring to Superfund Grants to assist. If not, we probably should. The Brownfields grants can not be apply for at a Superfund site. The SRI Program was a Cooperative Agreement (CA) grant program when it first came out.

Now assistance is provided thru "in kind service" consultants ( Skeo Solutions).

The attached redevelopment posters have been revised per our conference call. Please review and provide any comments back this afternoon so we can send over to the printer.

Thanks,
